Native American Tribes of Texas

Annotated Map

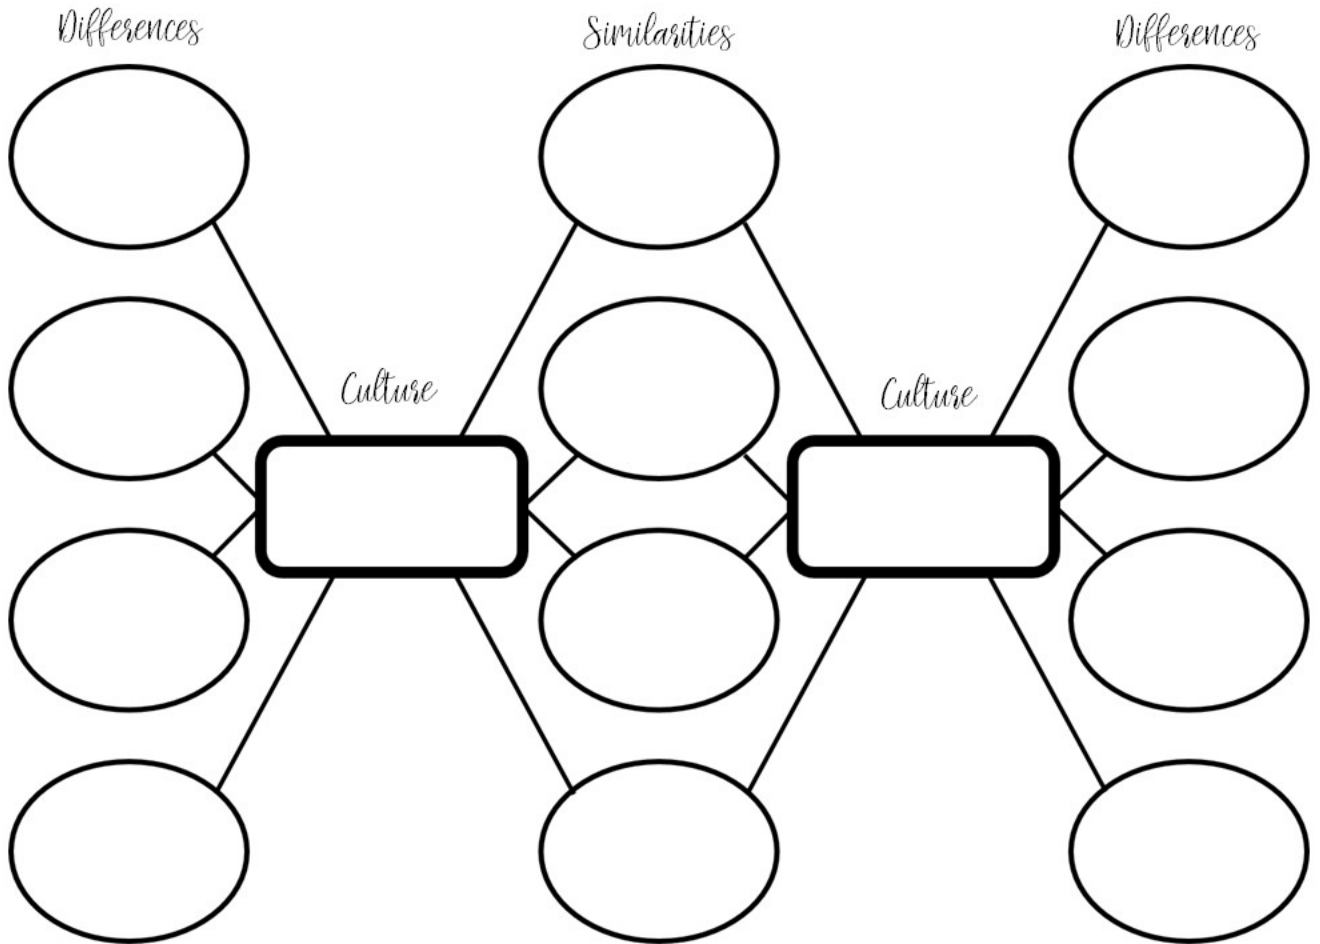

Directions: After you have read about a native American tribe, draw a symbol next to each Native American culture group. Write one or two sentences explaining your symbol. Color your completed annotated map. An example has been completed for you.

Native American Tribes of Texas

Double Bubble

Directions: choose two different Native American culture groups of Texas. Create a Double Bubble comparing key aspects of their culture.

Write a paragraph comparing two different Native American culture groups. Include key ideas from your Double Bubble.
